Disclaimer

The information contained herein is being provided by Intercorp Financial Services Inc. ("IFS" or the "Company") solely for informational purposes. This material is only a summary and does not contain all material information concerning the Company. Recipients of this presentation are not to construe the contents of this presentation as legal, tax or investment advice and should consult their own advisors in this regard. This presentation does not constitute an offer of, or an invitation to purchase, any of the Company's common shares in any jurisdiction in which such offer or invitation would be unlawful. All of the information contained herein and any related information is proprietary to the Company and recipients may not, directly or indirectly, disclose or permit its agents, representatives, or affiliates to disclose, such information for any purpose whatsoever. This presentation may not be photocopied, reproduced or distributed to others in whole or in part without the Company's prior written consent.

This presentation contains certain statements and estimates provided by the Company with respect to the anticipated future performance of the Company. Such forward-looking statements reflect the Company's current expectations or beliefs concerning future events, and actual results of operations may differ materially from historical results or current expectations in such forward-looking statements. Recipients are cautioned that any such forward-looking statements are and will be, as the case may be, subject to many risks, uncertainties and factors, including those relating to the consolidated operations and business of the Company. These and various other factors may adversely affect the estimates and assumptions on which these forward-looking statements are based, many of which are beyond our control. You are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of management on future events. Neither the Company nor its advisors, officers, employees, directors or agents, make any representation nor shall assume any responsibility in the event actual performance of the Company differs from what is provided herein. Moreover, the Company, its advisors, officers, employees, directors or agents shall not have any obligation whatsoever to update, correct, amend or adjust this presentation based on information attained or events occurred after its disclosure.

The Company prepares the financial information included in the presentation in accordance with International Financial Reporting Standards (IFRS). We have included in this presentation certain information reported by the Peruvian Superintendency of Banks, Insurance and Private Pension Fund Administrators (Superintendencia de Banca, Seguros y AFPs, or "SBS") and the Peruvian Securities Commission (Superintendencia del Mercado de Valores, or "SMV") for the Peruvian banking and insurance sector as a whole as well as for individual financial institutions in Peru, including Interbank and Interseguro, our subsidiaries, which report to the SBS and the SMV in accordance with accounting principles prescribed by the SBS ("Peruvian SBS GAAP" or "Local GAAP"). All financial information in this presentation regarding our relative market position and financial performance vis-a-vis the financial services and insurance sectors in Peru are based, out of necessity, on information obtained from SBS and SMV statistics. Information in this presentation regarding our relative market position and financial performance, however, do not include information relating to Inteligo, our subsidiary, as Inteligo is not regulated by and does not report to the SBS or the SMV. In addition, for certain financial information related to our compound annual growth rate we have included such information pursuant to Peruvian SBS GAAP in order to be able to show our growth over a longer period than three years. IFRS differs in certain respects from Peruvian SBS GAAP. Consequently, information presented in this presentation in accordance with Peruvian SBS GAAP or based on information from the SBS or SMV may not be comparable with our financial information prepared in accordance with IFRS.

IFS Overview

Focus on highly attractive financial services businesses

Intercorp Financial Services

99.3%

Universal bank with strategic focus on retail banking

- #2 Credit card financing
- #2 Consumer loans in Peru
- #2 Financial stores and ATMs

- Strong corporate governance

Peru: highly attractive market

2008-2013: A golden period of fast growth and low inflation

Real GDP growth (X axis) and avg. inflation (Y axis) for 2008-2013 period

GDP growth slowed in 2014...

Growth (%)	2014	
Real GDP	2.4%	<ul style="list-style-type: none"> Lower commodity prices and climatic factors affected primary sector GDP
Primary sector GDP	(2.1%)	<ul style="list-style-type: none"> Public expenditure dampened by execution delays
Non-primary sector GDP	3.6%	
Private consumption	4.1%	<ul style="list-style-type: none"> Lower mining and fishing production
Public investment	(2.0%)	

...but the economy began recovery in 2015 and is expected to resume dynamism in 2016

GDP & Domestic demand growth (%)

- ✓ Better primary sector performance
- ✓ Record infrastructure investment
- ✓ Expansive fiscal and monetary policies
- ✓ Fishing sector recovery, yet expectant to El Niño phenomenon
- ✓ Increasing exports, mainly due to mega mining projects (Las Bambas, Cerro Verde, Toromocho, Constancia)

Clear strategy: speed, convenience and customer experience

Customer centric
World class CRM

Omni-channel / Digital
Sales and convenience

Strong culture
GPTW

Strategic imperative

Strengthen leadership in core products

Driver: Low penetration

- Expand retail customer base, leverage Inteligo's platform
- Consolidate position in credit cards, payroll loans and corporate banking
- Maintain leadership in annuities, diversify to new products (digital)

Improve market presence in attractive businesses

Driver: Increase market share

- Mortgages, consumer loans, payroll and retail deposits
- Small & medium corporates
- Bancassurance, on-shore wealth management

Increase profitability with focus on cross-selling

Driver: Leverage platform and efficiency

- Increase use of ADC for sales, service and payment
- Deepen cross-selling across 2MM+ customer base
- Leverage Intercorp platform for synergies

Experienced management team and strong corporate governance

Experienced and well-recognized management team
